

STORMS DEATH TOLL GROWS

Mayor To Begin Second Term On Monday Morning

City Officials Elected In November To Take Office On Monday

COUNCIL WILL BE ORGANIZED FOR '48

Council will organize for the next two years at 10 a. m. Monday in city hall. Judge John G. Lamoree will swear in Mayor Fritz F. Haven who will be the first mayor to have been named to succeed himself.

In turn, the mayor will then administer the oath of office to Richard L. Davies, who succeeds Safety Director D. O. Davies. Albert A. Hoyland, re-elected councilman, and Bernard N. Hanlon, re-elected treasurer.

After they all subscribe to the oath of office, the mayor will call council to order, following which City Clerk Jack Fritz will give the roll call, and council will have embarked on its career for 1948-49.

Probable Alignment

While there has been no official statement as to what departments the various officials will head, indications point to the following: Mayor Haven, public affairs; Joseph D. Alexander, property and parks.

James Gibson, street and public improvements; Richard L. Davies, public safety and health.

According to the last election, Messrs. Haven, Davies and Hoyland, will serve four years. Messrs. Alexander and Gibson have two years of their term to serve.

TO MAKE PROPOSALS

NEW YORK, Jan. 3.—(INS)—The United Electrical, Radio and Machine Workers of America (UO) reported today that 300 delegates will meet Monday to draw up contract proposals for Westinghouse, General Motors' Electrical Division and Sylvania Electric Products, Inc.

Pa Newc Observes

Friday's downtown traffic more nearly represented that of a Saturday or a Monday evening. Long streams of cars snaked each turn of the traffic light to the go signal at most downtown intersections. Inability to transact business on New Year's day evidently brought the influx of motorists to the downtown section.

The large evergreens which had been placed on the Public Square over the Christmas holiday period were removed by workmen on Friday. Other evidences of the season are disappearing from the downtown section.

The plot of ground surrounding the World War I honor roll at Pearson and East Washington streets has become a dumping ground for unthinking citizens. Cases of empty used cans have been placed at the site causing a very unsightly condition.

Barricade on the North Jefferson street side of the Wallace block is making a good windbreaker for patrons awaiting the Cascade Park bus, Pa Newc observes. The corner is an unusually windy one and the temporary windbreak is appreciated.

Pa Newc is wondering who holds the longest perfect record of attendance in the city or county Sunday schools? A number of the Sunday schools in the city will be passing out awards for attendance to-morrow, Pa Newc learns. One citizen boasts a record of 23 years perfect attendance.

Sir Stork made 33 visits at the New Castle hospital during the month of December, with 29 male and 24 female infants being born. The number is a slight decrease from November, when there were 56 births recorded.

Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 a. m. today follow:
Maximum temperature, 42.
Minimum temperature, 29.
Precipitation, traces snow.
River stage, 8.5 feet.

Statistics for the same date a year ago follow:
Maximum temperature, 46.
Minimum temperature, 32.
Precipitation, .73 inches.

Sesqui-Centennial Plans Developing

With the dawn of the new year, New Castle enters upon its sesqui-centennial year, the 150th birthday if you please. And with the coming of the new year the plans for the sesqui-centennial celebration move out of the formative stage into the working stage.

Some months ago the Perry S. Gaston Post No. 343, American Legion, announced that it would spark a celebration here marking the century and a half birthday. As an earnest of its interest the post announced it would start the fund necessary to finance the celebration with \$5000.

City Wide Participation
Worral Jones has been heading the work of getting the sesqui plans started and announced to-

Honest Mail Carrier Returns Purse, \$1475

PITTSBURGH, Jan. 3.—(INS)—Chester Dudley, 38-year-old mail carrier, was commended today for his honesty by Postmaster James C. Smith, and doubtless Mrs. Mary Seybold, 75, will be ever grateful to Mailman Dudley.

All in the line of duty, Dudley yesterday returned a purse containing \$1475, which he found while making rounds, to Mrs. Seybold, who lost it on her way to the bank to make a deposit.

The money represented an insurance claim on the death of Mrs. Seybold's late husband.

Greek Army Troops Brace For Possible Counter-Attack At Aous River

By ALKAIOS ANGELOPOULOS (U. N. S. Staff Correspondent)

WITH THE GREEK ARMY WEST OF KONITSA, Jan. 3.—Guerrilla artillery continued to pound government positions west of the Aous river today, as Greek army troops braced for a possible rebel counter-attack.

The guerrillas still hold the eastern bank of the river, facing government forces across the destroyed Borazani bridge. Thus far they have successfully blocked the main Greek government relief column, which is 11 miles east of Konitsa. Further indications of guerrilla activity came from several villages in the Pogoni area near the Al-

Woman With Brittle Bones Will Undergo Boston Examination

Rare Bone Disease Causes Fracture At Slightest Jolt, Victim Only 41

BOSTON, Jan. 3.—(INS)—Even the slightest jar can, and does, cause a fracture to a Racine, Wis., woman who suffers a rare disease which keeps her bones as brittle as delicate glass.

She was flown to Boston for medical attention. Her left leg was in a cast, result of fracture number seven. As the plane landed with a slight jar at Logan International Airport, the other leg snapped, and it was fracture number eight.

Rare Disease
The victim of the strange disease is Mrs. Mary Christensen, 41. Doctors explained she suffers from a disease called osteoporosis—a lack of calcium in the bones caused by overactivity of the parathyroid gland.

She was brought to Massachusetts general hospital in Boston for a complete diagnosis, and later specialists will decide whether an operation will do her any good. She already has undergone several.

Communications Strike Continues

NEW YORK, Jan. 3.—(INS)—The strike of 4,000 communication workers against four major cable companies for higher wages continued today and there was no immediate signs of a settlement.

County Officials Will Take Office Monday Morning

Recently Elected Officials To Be Sworn In To Begin Their Terms

FOUR NEW FACES AT COURT HOUSE

"There'll be some changes made" in the court house Monday January 5, but not many. Four new faces will be seen in official places, and three of the present officials will stay on the job.

Beginning at nine o'clock on the morning of January 5, the officials who were elected November 5 will be sworn in, as will their deputies. The officials to be sworn include three county commissioners, a county treasurer, county controller, prothonotary and coroner.

One Holdover
In the county commissioner's office two new faces will be seen. Harvey B. Bush and Joseph R. Gilmore will replace the two present Republicans, Earl R. Winter and Karl T. Rohrer, neither of whom sought to return to the commissioner's office. Joseph F. Travers, the Democratic member was re-elected.

Don I. Neal, for eight years deputy county treasurer was elected treasurer, succeeding Frank W. Hill. Prothonotary and Clerk of Courts John A. Edgar was re-elected as was County Controller Andrew M. Dodds.

The county treasurer-elect Don I. Neal has already announced he

Way Is Cleared For Action On Tax Reduction

By RAYMOND WILCOVE (U. N. S. Staff Correspondent)

WASHINGTON, Jan. 3.—The way apparently was cleared today for speedy House approval, probably this month, of a new Republican multi-billion dollar tax reduction bill.

The third GOP try at cutting individual income taxes got the right-of-way from House Speaker Martin (R) Mass., on the eve of Tuesday's opening of the second session of the 80th Congress.

Martin said Republican leaders "hope to put through the House in January" a new tax cut bill. There was every indication that the bill sponsored by Rep. Knutson (R) Minn. would get the leadership nod.

To Discuss Agenda

Sen. Taft (R) Ohio, chairman of the Senate Republican Policy committee, said his group would meet Monday afternoon to discuss the agenda for the next session.

He added that before a decision could be made on Senate action on a tax bill, "I imagine we'll have to take a look at the budget, the Marshall plan, and a few other things."

Knutson's measure would reduce income taxes five and one-half billion dollars annually. Republican leaders on both sides of Capitol Hill declared it was practically certain that the bill would be approved by the tax-writing House Ways and Means committee. Although the amount might be revised.

Eastern Section Of State Counts Damage By Storm

Heavy Damage From Fiercest Freezing Storm In Years, Highways Treacherous

PHILADELPHIA, Jan. 3.—(INS)—Eastern Pennsylvania struggled today to recuperate from the fiercest freezing rainstorm in more than 10 years which caused heavy damage and disrupted light, telephone and transportation facilities.

Highways surrounding Philadelphia were made slippery by rain accompanied by low temperatures. Many homes were deprived of light and heat in Bucks, Montgomery, Lehigh and Northampton counties.

Damage to trees and shrubs in Doylestown was estimated at \$300,000. Electric and telephone facilities were cut off in Carversville, Point Pleasant, Cross Keys and Lumberville in Bucks county.

Trolley service in Bethlehem and Northampton counties was halted for a short time. More than 2,000 telephones in Reading were out of commission.

Senator Says High Official Left Suddenly

Knowland Says Assistant Attorney General Departs When Information Is Sought

By FRANK B. ALLEN (U. N. S. Staff Correspondent)

WASHINGTON, Jan. 3.—Sen. Knowland (R) Calif., declared today that a high administration official left Washington for two weeks after the Senator sought to question him about the grain market transactions of Brig. Gen. Wallace Graham, White House physician.

Knowland told newsmen that he tried to telephone Assistant Attorney General John F. Sonnett yesterday and was told that Sonnett was "busy on another phone and will call back."

Nearly two hours later Knowland said, Sonnett's office called him and reported that Sonnett had hurried away to catch a train and would be gone for two weeks.

Developments

This development came as: 1. The Federal Bureau of Investigation was disclosed to have opened an inquiry into Graham's commodity trading on Dec. 24.

2. Appropriations Subcommittee on Speculation by "insiders" to subpoena the record of Graham's transactions from his broker, Bache & Co., New York.

3. Knowland learned that it was

Ohio Governor Married At Noon

Ceremony Takes Place At Presbyterian Church In Indianapolis

INDIANAPOLIS, Jan. 3.—(INS)—Governor Thomas J. Herlihy of Ohio, was married to Miss Mildred Helen Stevenson, of Indianapolis, in an informal but beautiful ceremony in Indianapolis today.

The McKee chapel of the Tabernacle Presbyterian church was tastefully lighted with candelabra, garlanded with yellow chrysanthemums and holding yellow tapers.

Only the immediate family and close friends attended the wedding. Included was the governor of Indiana, Ralph F. Gates, and members of his family, who had entertained the couple at dinner last night in the Indiana executive mansion.

As the guests gathered, an organist played a program of wedding music.

Single Ring Ceremony

After the Rev. Oscar Thomas Olson, pastor of the Epworth-Eucharist Methodist church, of Cleveland, O., read the wedding ceremony, the handsome Ohio governor slipped the platinum and diamond band wedding ring on his bride's finger and kissed his pretty wife.

The bride, entering alone, wore an Adele Simpson lightweight wool daytime dress in cinnamon brown. It had a v-neckline forming tailored labels and the sleeves were long. She wore a brown feather hat that fitted snugly, brown suede shoes and white kid gloves. She carried a white prayer book, the one carried by Mrs. C. Louis Stevenson, of Cleveland, attractive daughter of the governor, at her wedding.

Search For Body Of Man Who Fell From Houseboat

PITTSBURGH, Jan. 3.—(INS)—River police today searched the Monongahela river for the body of a man who was reported to have fallen into the water from an overturned derelict houseboat.

Earl Faudree, 23-year-old riverman, reported to police that he had missed grasping the victim's hands by seconds as he rolled off the houseboat into the swiftly moving current.

Faudree said he had sighted the up-turned houseboat from the shore and rowed out to it. He described the victim as a man in his forties.

Build 73 New Homes In Year

Seventy-three homes were started, or erected, in the city of New Castle last year, at an estimated cost of more than half a million dollars, \$542,400, to be exact, according to statistics released today by Neil Williams of the city's bureau of building. In addition 101 private garages were erected at a cost of \$50,520.

Sending Marines To Mediterranean Area

By WILLIAM KEWIN (U. N. S. Staff Correspondent)

WASHINGTON, Jan. 3.—The assignment of four additional detachments of U. S. Marines to the Mediterranean was viewed by informed sources today as an American move to give moral support to anti-Communist forces in Italy and Greece.

Four Units To Leave

The navy announced that the four units of Marines from the corps' crack Second Division will leave Camp Lejeune, N. C., next Tuesday to augment personnel aboard four American warships off Italy and Greece.

Reliable sources declared that the move provides first-hand evidence that the United States intends to remain in the seething Mediterranean area as long as insurgent elements threaten trouble.

The four Marine units were assigned to the 45,000-ton aircraft carrier Midway, at Naples and to three light cruisers—the Little Rock at Piraeus, the Providence at Leghorn and the Portsmouth at Genoa.

Number Not Revealed

Although the navy refused to reveal the actual number of Marines involved in the move, a navy spokesman said the detachments would bring the complete

Attack Is Made On Arab Village

Safad, 10 Miles From Syrian Border, Is Scene Of Attack Reported

JERUSALEM, Jan. 3.—(INS)—Heavily-armed Jews early today attacked the Arab village of Safad, 10 miles from the Syrian border in north Palestine.

One Jew was reported killed in the attack, and two were wounded.

Arab losses were not known, but at least three Arab homes were blown up by the attackers.

Meanwhile, it was announced that yesterday's outbreaks took a toll of 11 deaths. Three of those killed were British soldiers. Twenty-seven Arabs and Jews were wounded.

Police succeeded in breaking the five-day Arab blockade of Jerusalem's old city and escorting some food trucks of the 5,000 Jews there.

The Jews had been without food supplies since Monday. Only a few trucks got through the Arab barricades today, and supplies were reported to be very low.

The attack on Safad, which is in the projected Arab state under the United Nations partition plan, was linked to reports that Syrian Arab guerrillas have been infiltrating into the Holy Land through that village.

Oppose Placing Marshall Plan Under Secretary

By WILLIAM THEIS (U. N. S. Staff Correspondent)

WASHINGTON, Jan. 3.—Sen. Vandenberg (R) Mich., was reported today to share the opposition of other GOP leaders to the administration formula placing the Marshall plan under virtual control of the secretary of state.

The Senate Foreign Relations chairman was described authoritatively as feeling that:

1. The physical task of providing long-range European aid should be administered independently by a businessman of recognized background.

2. The secretary of state, at the same time, should retain his traditional jurisdiction over foreign policy.

Seek Solution
In search of a solution of this dual problem—maintaining independent administration of ERP while retaining proper cabinet control over foreign policy, Vandenberg asked the Brookings Institution to make an "objective survey" for his committee. Senate hearings on the Marshall plan open next week.

Vandenberg has painstakingly refrained from taking a public

Three French Girls Await Decision On Impending Weddings

PHILADELPHIA, Jan. 3.—(INS)—Three French war-orphans, residing in a Philadelphia hotel today awaiting a decision by an immigration board on their eligibility to stay in the United States.

The prospective brides, Anna Goch and Fernande David, of Paris and Martha F. Donas, of Montmorency, landed at New Castle county, Del., airport after poor weather delayed their plane at Newfoundland.

Puzzled immigration authorities pointed out that unrestricted entry of war brides and fiancées expired Dec. 31. The trio planned to marry, respectively, Frank Marker, Fall River, Mass.; Harold Skeggs, San Francisco, and Roy Morrison, Atlanta, Ga.

Report 17 More Deaths Result Of Storms In U.S.

Thirteen Of Fatalities In New England And Four In Metropolitan New York

PROPERTY LOSSES ALSO INCREASED

(By International News Service)

Seventeen new deaths and millions of dollars in property damage were added today to the toll of the crippling sleet and snow storm that swept over the midwest New Year's day and then roared into New York State and New England.

The new death toll included 13 in New England and four in Metropolitan New York. It brought to 44 the number of deaths attributed to the storm in the eastern and midwest states in the last two days.

Previously the midwest counted 27 deaths.

Tornadoes Take 23 Lives

Added to this toll were the 23 deaths in a series of tornadoes and windstorms that struck five southern states just before New Year's Eve.

The new sleet and snow storm was the second to strike New York within a week and came as the eastern metropolis was fighting its way out of last week's record 28.5-inch snowfall.

Trains were slowed down throughout the storm area today. Some were hours late. Bus lines cancelled several runs and operated on slow-up schedules.

The crippling storm swept into the eastern seaboard after leaving death and destruction in its wake throughout the upper midwest.

Nine storm deaths were counted in the Chicago area, four in other parts of the midwest and 14 in the collision of two Missouri Pacific passenger trains at Sedalia, Mo., during the blinding snow storm.

The midwest storm was centered in northern Illinois and extended into Wisconsin, Missouri, Iowa, Indiana, lower Michigan, and northern Kentucky.

Hundreds of persons were made homeless in five southern states by a series of tornadoes and heavy snowstorms. At least 23 persons perished in the stricken areas, which included Louisiana, Arkansas, Alabama, Mississippi and Tennessee.

The destruction was so severe that President Truman classified the wind-lashed sections a disaster area entitled to priority government aid.

Specialist To Fly To Moscow

STOCKHOLM, Jan. 3.—(INS)—Professor Elis Borven, famous Swedish cancer specialist, will fly to Moscow today in answer to a cable asking him to treat "a serious case."

No indication was given as to the identity of the cancer sufferer.

However, it was recalled Russia has called in foreign medical men to treat high-ranking Russian officials.

Warren Man Killed In Butler Accident

BUTLER, Pa., Jan. 3.—(INS)—George Belony, 21, of Warren, O., was killed today when his car skidded and collided with a truck on the icy highway.

His companion, Martin Mertys, 18, also of Warren, was seriously injured.

The truck driver, Arthur W. Bishop, 21, of Chicora, was unhurt.

Pottery Workers Rebuilding Plant Destroyed By Fire

SCIO, O. Jan. 3.—(INS)—The 530 employees of the Scio Pottery company, who are rebuilding their own plant which was practically destroyed by fire last December 11, estimated today that they will have the job done in another 40 days.

Men and women alike have pitched in to rebuild the plant and are erecting steel, welding sheets and bolting up conveyor frames and shelves despite the fact they do not pretend to be anything but potters.

Work progressing
The work is proceeding at an amazing clip. Supports are up and on Monday the roof and sliding sheets will go on. Much of the material being used was salvaged from the wreckage.

The men of the outfit will put the roof on, but it is reported that the women insist on adding the siding.

"They've proved their ability to do everything else around here," one man said confidently.

Lou Reese, head of the company, hoped to see the plant back in operation by February 13. It was February 13, 15 years ago, that he started the plant on a shoe string. It has since grown to be one of the major industries of Scio.

Chicago Fishermen Have Narrow Escape

CHICAGO, Jan. 3.—(INS)—Four fishermen narrowly escaped death today when their 45-foot gasoline-powered boat blew apart while moored in the Chicago river.

The men swam through flaming debris to the dock where the craft was moored.

Most seriously injured when the boat's 150-gallon gasoline tank exploded was Arnt Lewis, 60. He suffered severe burns on the head and face.

Others in the craft when it blew up were Stanley Post, 35, the owner; John Stapleton, 30, and Jack Larson.

GREEK REBEL FORCES LIKELY TO MAKE ATTACK

(Continued from Page One)

The guerrillas forcibly recruited a number of young men and reportedly abducted 120 young girls between the ages of 18 and 21. They are believed to have taken them into Albania.

The recent rebel artillery fire is apparently coming from a battery north of the village of Kavrysi. Greek officers say the guns are so close to Albania—if not actually on Albanian soil—that they are afraid to return the fire for fear that the shells would drop on the territory of the small Balkan state.

New Assault?
"Should a new guerrilla assault materialize, army spokesman felt it will come from the area of Philates, 40 miles southwest of Konitsa. Rebel troop movements have been reported there, and guerrilla Captain George Ysilianti is known to have withdrawn to Philates after being repulsed from Konitsa.

A stepping up of rebel "hit and run" tactics was indicated yesterday when a band of guerrillas swooped down on the town of Kilis, 30 miles northeast of Salonika, and fired the railway station.

The rebels blew up a freight train and destroyed the railway station building.

will appoint Miss Jeanette DeCarbo as his deputy. Miss DeCarbo has been the chief clerk for several years. Her successor as chief clerk has not been announced.

Allen Becomes Coroner
In the Prothonotary's office and that of the county controller there is no indication of any changes in personnel, nor has there been any indication of change in the county commissioners' office with perhaps one exception.

Charles E. Allen will be sworn in as coroner. He has been deputy coroner for the past four years and succeeds Coroner T. F. Nugent who did not seek re-election.

Following the induction of the newly elected officials the deputies in the various offices will be sworn. If the induction follows the usual custom, the court will swear in Prothonotary and Clerk John A. Edgar and he will administer the oath to the balance of the officials and deputies.

MINNESOTA CHIEF EXECUTIVE, WIFE, STOCKHOLD BOUND

NEW YORK, Jan. 3.—(INS)—Gov. Luther Youngdahl of Minnesota took off on a Scandinavian Airlines plane today for Stockholm and a bit of a vacation in the Scandinavian states.

He was accompanied by his wife. His plane left La Guardia field at 10:49 a. m. EST.

The governor, who plans to confer with Scandinavian leaders during his junket overseas, said he will discuss with them Minnesota's Centennial next year celebrating the arrival of the first Swedish immigrants.

Enlisted Reserve Open To Veterans

Former Service Men With Six Months Duty Eligible For Enrollment In Enlisted Reserve

Any former service man (Army, Navy, Marine Corps or Coast Guard) who has served for a period of at least six months is eligible for enlistment in the enlisted reserve corps, First Sgt. Stein of the local recruiting office states.

Enlistment is for a three-year period and a physician examination is not required of an applicant at the time of enlistment.

An applicant enlists in the grade held at time of discharge from active duty, and in the event he is ever again recalled to active duty, he retains his former rank. Furthermore, this time spent in the ERC counts toward longevity pay, and nothing whatever is required in the way of performing actual physical duty.

For further information concerning the enlisted reserve corps, contact the local U. S. Army and U. S. Air Force Recruiting station located in Room 202, Post Office building, or telephone 7593.

position on the method of Marshall plan administration, although he has announced he is "committed to its general objectives."

Close To Taft
His reliably reported feelings on the issue, however, placed him close to Sen. Taft (R-Ohio) and other GOP leaders who regard President Truman's proposal as tantamount to State department control.

Taft told newsmen the administrator suggested by Mr. Truman would be "tied hand and foot" by the State department.

Taft endorsed Vandenberg's action in seeking help from the Brookings Institution, a private non-partisan research agency.

Meanwhile, House Speaker Martin (R-Mass.) gave the green light for speedy House action on the Herter plan for European aid.

Herter told reporters the House leaders "hope to have the Herter plan up at an early date."

Deaths Of The Day

Mrs. Mary Platto

Mrs. Mary Platto, aged 70 years, of R. D. 8, Hanna street, died this morning at two o'clock in her home following a lingering illness. Her husband, Michael, died 14 years ago.

Mrs. Platto was born in Czechoslovakia, daughter of Mr. and Mrs. Lucas White. For 34 years she lived here, and was member of St. Michael's church.

Four daughters survive: Mrs. Mary Zuzov, this city; Mrs. Susan Estok, Stanford, Conn.; Mrs. Ann Pastirik, Struthers, O.; Elizabeth Dominsky, Baltimore, Md., and a son, Michael, of McKeesport, and 24 grandchildren and 17 great-grandchildren.

Funeral services will be Monday at nine a. m. in the residence, and at 9:30 o'clock a requiem mass will be in St. Michael's church, Rev. Fr. William M. Pisarcik in charge.

The body will be removed from the Noga funeral home to the residence of the deceased's daughter, Mrs. Mary Zuzov, R. D. 8, Hanna street, where friends may call after seven p. m. this evening.

Burial will be in St. Nicholas cemetery.

S. Scott Cleland

S. Scott Cleland, aged 58, prominent farmer of Muddy Creek township, Butler county, died at his residence, R. D. 1, Portersville, quite suddenly Friday.

Born in Muddy Creek township, he was the son of the late Robert and Elizabeth Scott Cleland and had resided his entire lifetime there. Mr. Cleland was a member of the Portersville Presbyterian church, serving as an elder, and was on the advisory council of the Dairy Cooperative Sales Association.

Surviving are his widow, Mrs. Zella Zeigler Cleland; two sons, Robert J. Cleland at home and Loyal W. Cleland of New Castle; three daughters, Mrs. Howard D. D. Slippery Rock; Mrs. Robert Leslie, R. D. 2, Farver, Pa.; and Miss Martha Jane Cleland at home. Ten grandchildren also survive.

Friends will be received at the family residence until Monday at noon after which the body will be removed to the Portersville Presbyterian church, where it will lie in state from 1:30 to 2:30 o'clock.

Funeral services will take place at 2:30 o'clock with Rev. H. M. Hall and Rev. J. C. Fulton officiating. Interment will be in the church cemetery.

Charles Grist, Sr.

Charles Grist, Sr., aged 62 years, Lowellville R. D. 2, died Friday afternoon at 2:30 o'clock in the Northside City hospital, Youngstown, O., after an illness of two years.

Born January 1, 1886, near Steubenville, O., he was a son of Joseph and Mary Marcone Grist, both deceased. He operated a gasoline station for several years on route 224. Previous to that time he was employed as a steam shovel operator at the Lake Erie Limestone company for 39 years.

Survivors include his widow, Mrs. Adda Louise Ripple Grist, whom he married in 1908; three sons, Francis Grist of Lowellville, Charles Grist, Jr., Youngstown, and Frank Grist, Gary, Ind.; one sister Mrs. Rose Reynolds of Los Angeles, Calif.; five brothers, Thomas Grist of Youngstown, Jack Grist of Detroit, Tony Grist of Hillsville, Louis and Mike Grist, both of Bessemer, and four grandchildren.

Funeral services will be conducted Monday afternoon at 2 o'clock from the Cunningham funeral home, Lowellville, with Rev. D. King Kerr officiating. Interment will take place in Lowellville cemetery.

Friends will be received Sunday afternoon from 2 to 4 o'clock and Sunday evening at the funeral home.

Wolber Funeral.

Funeral services for Lawrence C. Wolber were held from the Sharp funeral home in New Wilmington Friday afternoon at 2 o'clock with Rev. George F. Myers, pastor of the Methodist church, in charge.

Pallbearers were Earl Black, Ray Cox, Ed Edmundson, James Shill, Clayton McCune and Fred Ruby. Interment took place in the Zelienople cemetery.

Bishop Funeral.

High mass of requiem for Eugene "Cy" Bishop, of West Washington street, R. D. 2, was offered this morning at 9 o'clock from St. Mary's church with Rev. Fr. Francis H. Gallagher as celebrant.

Edward Bishop, Joseph Walzer, James J. Mitchell, Walter Duffy, John P. McCombs and John E. McIntyre served as pallbearers. Rev. Fr. Gallagher conducted the communal service at the grave in St. Mary's cemetery.

David Rhodes.

David Rhodes, aged 59 years, of 222 Northview avenue, died in the New Castle hospital, this morning, following a long illness.

Mr. Rhodes was born June 22, 1888, son of Edward and Cecelia Cartwright Rhodes. He was a member of the L.O.O.M.

Surviving are his father, Edward Rhodes; and the following children: David E., Mrs. Walter Wilson, George, Helen and Viola, all of New Castle; and Mrs. Regis Caldwell, of St. Petersburg, Fla.

He also leaves brothers and sisters: William, Edward and Samuel Rhodes of New Castle; and Mrs. Lena Kirkwood, of Glassport, Pa., and 14 grandchildren.

Funeral services will be conducted Monday at 2 p. m. in the Joseph B. Leyde mortuary, Highland at Winter. Burial will be in Greenwood cemetery.

The family will receive friends at the mortuary, tonight 7 to 9 o'clock, and Sunday 2 to 4 and 7 to 9 o'clock.

ESTIMATED COST \$61,650
Construction here during December is estimated by Neil Williams, city bureau of building, to cost \$61,650. Non-residential construction will cost \$31,850, two residences \$11,500, and repairs \$18,300, according to the statistics.

Mother Quite Ill, Daughters Home

Mrs. Leroy Davies, Frederick, Md., Mr. and Mrs. Dean Bolling, Fredonia, N. Y., have arrived here on account of the serious illness of Mrs. Davies' and Mrs. Bolling's mother, Mrs. Harriett Thompson of High street, New Wilmington.

Mrs. Thompson is confined to the Jameson Memorial hospital, since Tuesday. Two other daughters are Mrs. Ralph Shoaf of Colton, Calif., and Mrs. Christina Shoaf of 343 1/2 Shaw street.

Normally, a carrier of the Midway class has an overall complement of 2,200 men, including 100 Marines. A light cruiser usually carries about 1,000 men of whom 50 are Marines.

Both the Navy and State Department declined to link the transfer of Marines directly to the disturbances in Greece and Italy. However, it is known that military and diplomatic leaders are gravely concerned over the Soviet-backed guerrilla activity in Greece and Communists riots in Italy.

Army and navy officials are reported to feel that the United States must take a more active role in Greece to bring final defeat to guerrilla forces in that country.

U.N. Will Move Cautiously On Charges By India

LAKE SUCCESS, N. Y., Jan. 3.—(INS)—The United States will move cautiously and carefully study all implications of the charge brought by India against Pakistan in the United Nations Security Council before disclosing its viewpoint.

The 11-nation body has been summoned to meet Tuesday afternoon for the hearing of a 2,500-word complaint by India that Pakistan has aided and supported the guerrilla raiders operating out of the provinces of Jammu and Kashmir.

Ferdinand Van Langenhove of Belgium, council chairman for January, displayed remarkable speed in summoning the group for Tuesday within a few hours after India filed the complaint at Lake Success. It will be the inaugural 1948 meeting of the Security Council and as such will be preceded with welcoming speeches to the three newcomers, Argentina, Canada and the Ukraine.

Two More Wedding Guests Stricken

LANCASTER, Pa., Jan. 3.—(INS)—Lancaster county health officers today reported two new cases in the outbreak of typhoid fever among guests at a Thanksgiving Day wedding reception on a Litz, R. D. farm.

One guest died of the disease and 20 others, including the bride, were stricken shortly after attending the festivity.

The latest victims are Mrs. Annie Minnich, 62, Litz, R. D., and Allan Heagy, 49, Manheim, R. D.

Track Down Source
County Medical Director A. J. Greenleaf said preliminary reports received from state health department laboratories on some of 13 persons who prepared the food and served the 76 wedding

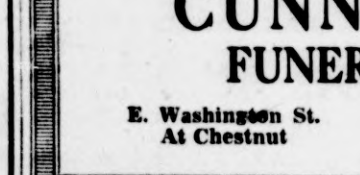

guests have furnished clues to the source of the infection. "We have every reason to believe we are on the right track of the source," he asserted.

The reception was staged by Christian Bollinger in honor of the marriage of his son, Roy, to Margaret Finkbeiner.

WOMAN STRUCK BY BUS THIS AFTERNOON

At 1 o'clock this afternoon, a woman crossing Washington street, at Mill street, was struck by a Jefferson street bus, as it rounded the corner en route west on Washington street toward the Diamond.

She is said to have been Mrs. Emmajene Peters, of Huron avenue. An ambulance was summoned and she was taken to the Jameson Memorial hospital. Her injuries are believed to be slight.

EDWARDS SOCIETY NAMED FOR FAMILY

At the regular monthly meeting held Friday evening at the home of Miss Laura Snider, North Mercer street, a name, "The Edwards Missionary society," was chosen by the recently organized group of the First Christian church. The name was chosen in honor of the Noted Edwards family who have done such outstanding work in the Belgian Congo over a long period of years.

The devotional period was conducted by Mrs. Rene Jenkins and was followed by a talk on missionary program procedure given by Mrs. Ralph Eakin. "Miss Emma" read an interesting letter from a missionary in India telling of the importance missionary work can play in the new independence of India.

A business meeting was then conducted, in charge of Mrs. A. W. Zeigler, president.

Later in the evening a lunch was served by the hosts, assisted by Miss Dorothy Houdess, co-hostess for the evening.

Next meeting will be held Friday, Feb. 6, at the home of Mrs. Ted Jamison of R. D. 5.

L. A. V. E. R. N. E. MERRIMAN, WALTER LUKART, WED

At a lovely candlelight ceremony in the First Baptist church, Friday evening at 7:30 o'clock, Miss L. A. V. E. R. N. E. Merriman, daughter of Mrs. W. J. Merriman, 824 Butler avenue, became the bride of Walter Lukart, son of Mr. and Mrs. Wesley Lukart, 221 Meyer avenue.

Palms, ferns, white baby mums and snapdragons, embanked the altar, and during the ceremony Miss Betty Aubel sang "I Love You Truly," "Because" and "The Lord's Prayer," with Miss Kathryn Newbury accompanying at the organ.

Rev. Oliver W. Hurst officiated, using the double ring ceremony. To the strains of Mendelssohn's wedding march, the bride was given in marriage by her cousin, Robert Kiefer, of Youngstown, O.

For her wedding the bride was charming in a ivory slipper gown, fashioned in the Colonial style with silk marquisette yoke edged with lace ruffle and leg o' mutton sleeves. Her skirt was gathered with insertions of lace and ended in a long train. Her finger veil of lace edged with net, fell from a halo of fresh white roses, and she carried a Colonial bouquet of white roses.

Miss Phyl Marlowe as maid of honor wore a kelly green taffeta gown, patterned similar to the bride's, with matching bonnet edged with white lace, and white lace gloves. Her Colonial bouquet was of tallisman roses.

Bridesmaids were Sally and Wilda Merriman, sisters of the bride, who wore rose taffeta gowns, fashioned in the Colonial style, with matching bonnets, and white lace gloves. They carried Colonial bouquets of pink roses.

Ushers were Max Lukart, Robert Lukart, Paul Corbett and Tom Daily. Richard Hagan was best man for the groom.

A congratulatory period followed in the church, and afterwards an informal reception was held at the bride's home, with 100 guests attending. A dainty lunch was served, buffet style, with a four-tiered wedding cake centering the nicely arranged table.

Mr. and Mrs. Lukart departed on a wedding trip to New York City for a week, and upon their return will reside at 121 Park avenue in their newly furnished apartment.

Mrs. Lukart, a graduate of the New Castle senior high school and the Jameson Memorial hospital School of Nursing, is a surgical nurse on the staff of the Jameson Memorial hospital.

Birth Rate In Pittsburgh At New High In '47

PITTSBURGH, Jan. 3.—(INS)—Pittsburgh's birth rate zoomed last year, setting the highest mark since 1874.

Figures released yesterday showed the birth rate during 1947 to be 36.1 births for every 1,000 population. This came close to the 1874 birth rate of 37.1 births for every 1,000 population.

In number there were 25,105 babies born in Pittsburgh in 1947, compared with 14,023 in 1939. In 1946 there were 22,168, or 31.1 per 1,000 population.

There was also a slight increase in the death rate, with 6,788 deaths reported, or 12.7 for each 1,000 population. This compared with 8,615 deaths in 1946, or 12.4 per 1,000.

far have enabled the farm population to offer a fairly adequate food supply to the urban population. It must be apparent that it is a big job for less than one-fifth of the country's population to provide for the other four-fifths. Yet we want to send 40 per cent of this produce to Europe. It can't be done.

Notwithstanding the high price of wheat and corn the agriculturists in Washington still urge a bonus to the farmer and if anybody is to get rich it is this same farmer for in all probability the movement from farm to city will continue instead of diminish. This would seem to indicate that farmers will continue to receive good returns for their investments and labors, while city dwellers will continue to pay high prices for their food.

HAROLD CALLAHAN JOINS U. S. NAVY

Leo Callahan, son of Mr. and Mrs. E. B. Callahan of 207 South Walnut street, has enlisted in the naval service for a period of three years.

Callahan formerly attended the New Castle high school and intends to further his education by attending a navy specialty trade school. He has been transferred to the Great Lakes naval training center, Ill.

New Dispute Threatens To Affect Mines

UNIONTOWN, Pa. Jan. 3.—(INS)—More than 100,000 bituminous coal mines in three states faced idleness today as the United Construction Workers, an affiliate of the United Mines Workers, planned a strike over wage demands.

The potential strikers are woodmen who provide the "pit posts" used to "shore up" the inner workings of the coal mines.

Thomas P. McTigue, of Uniontown, regional director of the UMW, said yesterday he had issued an ultimatum to timber operators that unless his demand for a 28½ per cent wage increase was met today he would order a strike. Without timber, the mines would have to cease operations as soon as present supplies were exhausted.

McTigue said one mine already had closed because of the walkout of some of his timber workers during wage negotiations. He added that others were expected to be shut down tomorrow.

Troop-Carrying Planes Sold To China By U. S.

WASHINGTON, Jan. 3.—(INS)—The War Assets Administration announced Friday that 150 troop-carrying C-46 Commando planes have been sold to the Chinese government for \$750,000.

A WAA spokesman said the planes were sold at \$5,000 each which is the standard price asked from all who wish to buy such a plane.

The official also revealed that China has placed an order for four to six hundred Whitley engines to be used as "spares" for the Commando planes.

He said that WAA is now searching its warehouses for parts to fill the engine order. The spokesman said that China has already purchased a number of similar type planes which were declared surplus in the Pacific area.

Youth Sentenced To Industrial School

NORRISTOWN, Pa. Jan. 3.—(INS)—John A. Crosson, Jr., 17, of Bryn Mawr, whose auto was in a crash which killed three and injured six, was sentenced to an indefinite term Friday at the Pennsylvania industrial school at White Hill.

Judge Harold G. Knight meted out the penalty in Montgomery county court at Norristown. The youth pleaded guilty to a charge of involuntary manslaughter.

Crosson admitted driving thru a stop sign in Lower Merion town, Dec. 14. Police Sergeant George Kramer testified that a few minutes before the fatal crash the youth had struck another parked car in Bryn Mawr.

Asked by the judge why he had not stopped after the first accident, the youth replied:

"I was afraid my father would take my car away from me."

GEORGE E. CLARK ENDS NAVY LEAVE

George Russell Clark, apprentice seaman, USN, son of Mr. and Mrs. Clark of R. D. 2, Ellwood City, has completed 12 days leave from the Great Lakes naval training center, Ill.

Clark enlisted in the naval service here in November and upon completion of recruit training will be available for further transfer to a navy specialty trade school.

Good Taste

By FRANCINE MARREL

SHYNESS BEFORE STRANGERS

"When I am with a few friends I know well, I am at ease conversationally; but let strangers come in and immediately I shut up like a clam and can't think of a thing to say. It is, I suppose, a form of self-consciousness, for I know they aren't my mental superiors. We are all of ordinary intelligence with equal knowledge of world events, etc. Can you give me any help in overcoming my tongue-tied condition?"

Answer: The fact that you admit these people who frighten you are not your mental superiors should cure you of your tongue-tied condition.

You, alone, can overcome your handicap by telling yourself that you are silly and childish. Self-conscious people, who sit silently by, usually give the impression of either dumb or indifferently aloof.

Speak up! Contribute your share of the conversation. To overcome your shyness, you may find it helpful to keep a notebook of conversational tidbits. Jot down in it some amusing stories, incidents or repartee worth repeating during a lull when you realize you should say something.

Contribute at least one or two stories during an evening. Before going out, glance through your notebook and select a few things to talk about so that you will have something prepared in case of emergency. Those who have no difficulty in thinking of things to say might think this very odd; but it is really an excellent idea for those who get tongue-tied in the presence of strangers.

Present your problems to Miss Marrel who will promptly mail personal replies to questions from readers inclosing stamped, self-addressed envelope.

Legion Of Honor To Meet Sunday

Members of the Legion of Honor will have a special meeting in Norristown, Sunday afternoon at 2:30 o'clock, when discussion will take place on the arrangements for the conferring of the Candian degrees, which the Legion of Honor will present on February 12.

The meeting will be followed by a rehearsal when parts for the degree will be assigned to those who have not already been picked for the work. Director Edward D. Pritchard stated today.

A "ready-cooked," balanced ration based on 15 years experience in laboratory and practical dog feeding tests. Feed TRI-BLEND and your dog will receive adequate levels of proteins, minerals, and vitamins A and D for proper nutrition. Dogs relish TRI-BLEND because it has appetite appeal.

Keynote . . .

For a dramatic entrance would you, too, have a foyer that lifts your spirit and make you feel proud? A Clavelli asphalt tile floor helps mightily. It's set tile by tile—thousands and thousands of color combinations and patterns can be made by combining the tiles cleverly. No wonder decorators rave about Clavelli asphalt tile. But this wonderful new idea is just one Clavelli asphalt tile advantage. The really amazing thing is that low cost Clavelli tile is the most practical floor imaginable—just the thing for kitchens and playrooms, too, for instance. Clavelli asphalt tile shrugs off dust and moisture . . . won't stain or spot. Neither will it scar when cigarettes are dropped, or hot liquids spilled. It mops up easily, never shows wear, can take all the punishment youngsters hand out and with it all look infinitely smart.

Haganah And Leumi Breach Widening

JERUSALEM, Jan. 3.—(INS)—There are many signs in Jerusalem that the rift between Haganah and Irgun Zvai Leumi is widening despite contrary reports that the two underground armies have made a pact.

Haganah, the Zionist militia and

the most moderate of the three underground organizations in the Holy Land, has warned all Jewish institutions to watch closely for possible Irgun attacks.

This recalled also that Haganah, after negotiations with the Irgun collapsed, purged its ranks of extremists.

Starting today, all Jewish agency officials were issued special passes with photographs attached. These

must be presented before they are allowed to enter their offices.

Also 10-foot armor-net screens are being set up around the Jewish agency and national institution buildings.

Are You An INTERSECTION PEST?

It's easy to be annoying at an intersection. Just jog your car back and forth while waiting for the light to change. Foot traffic will be confused and have to wait till you're gone.

Courteous drivers, however, know that it pays to think about the other fellow. We are always interested in talking automobile insurance with courteous drivers because they are the careful drivers.

—New Castle News Photo

February 22 of this year Howard M. Kirk, president of Kirk-Hutton Hardware company, will have been on the job 62 years.

This lengthy span, which began in 1886 when Mr. Kirk was a lad of 18, represents long devotion to his occupation as the head of one of New Castle's thriving business establishments.

The veteran merchant, who will turn his 80th year this August, inherited the business from his father, who in turn founded the store, known then as Kirk and Johnston, in 1861, the year which marked the beginning of the Civil War. New Castle in those early days was a small and struggling village and the Kirks have watched the community grow through three generations. The store in those days confined its selling to farm machinery, but today has grown to include every conceivable piece of hardware.

Howard Kirk was born in Mahoningtown in 1868 and spent his boyhood there on the old Kirk farm. At the age of 10 he was taken to Boise, Montana, and returned to New Castle when he was 18, starting in the store as sales-

spots and by 9 a. m. today had all reported back to the highway garage on the Wilmington road. A fine mist which began falling around 10 p. m. Friday brought about the treacherous motoring conditions.

Most bells first used in western Christendom were probably hand bells. Several examples of these bells, some of them, it is believed, as old as the sixth century, are still preserved in Ireland, Scotland and Wales.

ARE YOU PREPARED FOR Zero Weather?

When the weather forecast says—"cold wave coming"—don't run the risk of having your water pipes burst.

Save yourself money and trouble by doing this

- On freezing cold nights let a small stream—about a quart a minute—trickle from the faucet located highest in your house.

This simple precaution will cost very little but may save you expensive repairs and damage to your property.

DO THIS, TOO:

If you haven't already prepared your water pipes for cold weather, do it now, before it's too late. Here's what to do:

- Wrap exposed pipes in old newspaper, rags, or burlap.
- Turn off, and drain outside faucets.
- Plug up drafty cracks and repair broken window panes in your basement.

"NEW CASTLE'S OLDEST CLEANERS"

Around Hollywood

By JOHN TODD
International News Service Staff Correspondent

HOLLYWOOD, Jan. 3.—(INS)—All is sweetness and light again between Victor Mature and 20th Century-Fox after their first tiff. It came about because Vic had expected to play the vicious killer in "The Chair for Martin Rome" but at the last minute he was switched to the detective role and Richard Conte engaged to portray the criminal.

Needed Change
Vic was pretty angry about it until the big bosses convinced him he needed a change of pace after playing shady characters in "My Darling Clementine," "Kiss of Death" and "The Ballad of Furber Creek."

The title of the picture will be changed and there'll be some alterations in the script to please Vic, who's getting to be one of the screen's best performers.

Gene Tierney Back
Beautiful Gene Tierney is back at work in "The Iron Curtain" but she'll still be angry about a story which was published coincidental with her departure from Hollywood on her last visit to New York. The story had Gene saying some mighty rough things about Hollywood.

"I never gave out such an interview," Gene told me, "as a matter of fact, I didn't even talk to the person who wrote it."

"I've always been under the impression you liked Hollywood," I said.

"I certainly do," Gene replied with vigor. "Hollywood has been good to me."

"I'd be a mighty ungrateful person if I'd said the things I was quoted as saying."

Gall As School Marm

Gall Russell has just begun work as a school marm in Republic's big drama, "Moonrise".

Noted for her sense of humor, she said: "That's a funny role for me. Right now I could hardly get through the first grade."

Working for the first time with Director Frank Borzage, she turned to Frank and said:

"Mr. Borzage, I hope you are a very patient man."

Other Method Than Proposed International Police Force Is Hinted

By PIERRE J. HUSS
(U. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Jan. 3.—The United Nations may witness an attempt in 1948 to provide the security council with "teeth" by methods other than the proposed international police force.

The majority of delegates, conscious of the practical impossibility of agreement among the big five on a standing U. N. armed force, are toying with hints that they consider improvised armed units designed to apply to each individual case.

Push Volunteer Force
A pronounced tendency has developed at Lake Success, consequently to push into the foreground the prospect of developing if necessary a volunteer force of temporary nature for the policing of the Holy Land under U. N. supervision.

It is pointed out by those favoring such an experiment that a similar volunteer force could be resorted to wherever developments call for armed intervention, leaving it to the security council to decide the size and striking power in every instance.

The free territory of Trieste, and Korea along with Palestine are held to be localities where such special U. N. constabulary would be applicable in the coming year.

Efforts Not Suspended
Failure of the big five to agree on an international force has not suspended efforts by the military staff committee to devise an initial pattern for a limited U. N. troop outfit.

The military experts comprising this group meet without fanfare after week in the heart of New York and back away at the numerous draft provisions blocking agreement.

At the same time, the 11-nation commission set up by the general assembly two years to formulate a global disarmament pact is making another stab beginning today at the tough business of committing the 57 nations to a general reduction of arms.

Soviet Russia continues to insist that the destruction of atom bombs and outlawing of all atom weapons must precede any disarmament.

Classes Resume
At Westminster
Monday Morning

NEW WILMINGTON, Jan. 3.—Classes resume at Westminster College Monday morning following the Christmas vacation which started Dec. 20. The vacation officially ended at noon Saturday but few students are expected to return to campus until Sunday afternoon and evening.

Only nine school days remain before final examinations to start Thursday, Jan. 15. The tests will continue through Saturday, Jan. 24, with registration for the spring term scheduled for Jan. 26-27. Classes for the new semester begin Jan. 28.

Two Injured In
Sewer Collapse

HOMESTEAD, Pa., Jan. 3.—(INS)—One man was reported in a serious condition today with possible leg fractures and other injuries, and another man was suffering shock and exposure following collapse of a sewer excavation yesterday.

Rescuers worked feverishly for several hours to extract Frank Tucciarone, 49, the most seriously injured, and Mike Caruso, 56, from under an avalanche of dirt, rocks and timber that pinned them in the 26-foot excavation.

Two other workers escaped by crawling through a sewer and up the ladder of a nearby manhole.

No Depression Blues
Indicated By Head
Of Pittsburgh Firm

PITTSBURGH, Jan. 3.—(INS)—William P. Witherow, president of the Blaw-Knox Co., said in a year-end statement that if the durable goods industry is any indication, there "seems little point to the calamity howling and depression forecasts heard today."

Witherow admitted the danger of run-away inflation, however, but said that even this threat does not mean another depression or business recession is just around the corner.

Witherow gave as the reason for this optimistic view his belief that America's domestic needs have taken on a permanently broader scope.

He said there will be continuing high demand long after industries export and war-deferred needs have been met.

Witherow cited as an example, the order book of the Blaw-Knox Co., which makes production equipment for other companies and is generally regarded as representing a cross-section of American industrial business.

According to Witherow, his company's 1947 order book was more than three times the company's highest pre-war year, much of which came from new markets. He added that the company's 1948 order book "is in a similarly healthy condition."

He said that the challenge of 1948 boils down to "a matter of confidence, self-reliance, and the willingness to work, and to produce in the old American way."

Spinning Wheel Put
Back To Work By
Stoystown Woman

STOYSTOWN, Pa., Jan. 3.—(INS)—Mrs. A. W. Rolfe, of Stoystown, has put the old-fashioned spinning wheel to work in an age of modern mechanical wonders to win herself state-wide fame.

Mrs. Rolfe raises angora rabbits and has become expert in weaving the fine rabbit wool into downy white yarn much in demand for women's sweaters and other apparel.

A good deal of Mrs. Rolfe's time now is spent in displaying her art at various fairs and displays.

Last fall she demonstrated her skill at the Tableland Fair in Pittsburgh. She is scheduled to appear at the State Farm Show in Harrisburg January 12 to 16.

Mrs. Rolfe will give demonstrations at the State Farm Show on how the wool is taken from the backs of angora rabbits and spun into yarn.

Annual State Farm Show Opens In Harrisburg January 12, Expect Great Crowds

HARRISBURG, Jan. 3.—(INS)—The vanguard of exhibitors moved into the huge Pennsylvania farm show building today in preparation for the 1948 annual agricultural exposition opening at Harrisburg January 12.

Most preliminary activity involved arrangement of farm machinery displays in the huge exhibition hall. The main floor will be turned over to commercial exhibitors early next week, the state agriculture department reported.

New Floor Covering
The farm show commission has installed mastic tile floor covering to ease touring of the 14 acres of building and counteract dust. Eight new model silos will be erected to illustrate latest farm storage equipment.

The 1430 head of livestock entered in farm show events will be admitted to stalls Thursday. Tons of feed and bedding have been received at livestock barns to accommodate the animals and 4000 fowl registered for poultry contests.

Fruit and vegetable exhibits will be arranged at a later date, the department said.

West Pittsburg
Man In Air Force

Cpl. Edward Shropshire Tells Of Reasons Why He Returned To Service As Career

Edward Shropshire, who resides at West Pittsburg, enlisted in the United States Air Force on December 20, and is at the present time located in Fort Slocum, New York. Mr. Shropshire had previous service in the Air Force and after giving civilian life a trial, decided he wasn't as well off as he was when in the service, so re-enlisted again. Under current legislation he was awarded the grade of corporal and is very pleased with his present standing.

Following are a few excerpts from his letter describing how he feels toward duty with the Air Force:

"I guess people will want to know how I came back in the Air Force. I came back because I could not make a go of it as a civilian. I like the Air Force better this time than I did the first time. I would like to encourage some of the young men around New Castle and vicinity to enlist in the army or air forces, because they would be better off in the future. Everyone has his own opinion of things, but I think the armed services is the best place for young men between the ages of 17 and 26. They can join for three years and get their choice of stations and theater of operations. They can also go to a technical school for some advanced training if they wish to. Once again I will say young men are better off in the service."

For information concerning enlistment in the U. S. Army or the U. S. Air Force contact your local recruiting officer located in Room No. 202, Post Office Building, or telephone 7593.

Urge Congress To
Carry Out Reforms

WASHINGTON, Jan. 3.—(INS)—Congress was urged today by a group of citizens to carry out in full the reforms embodied in the legislative reorganization act or "promptly repeal them."

The request was made by the national committee for strengthening Congress in letters sent to all members of the House and Senate on the eve of the opening of the next regular session.

The committee is composed of representatives of agriculture, business, labor, the press and professions.

The committee declared that three phases of the reorganization act, which went into effect a year ago, were not properly implemented in the first session and in some cases "have been completely ignored."

Reforms Listed
It listed them as: (1) strengthening and improvement of fiscal control, (2) improved staffing of all standing committees, (3) legislative surveillance of government

departments by standing committees.

It termed improvement of the fiscal control of congress "by far the most important incomplete part of the act," charging that few of the fiscal reforms embodied in the law were given adequate trial last year.

The committee therefore urged that an "aggressive effort" be made to carry out all the provisions for the legislative budget, that steps be taken immediately to establish standardized accounting procedures for departmental expenditures, and that adequate staffs be employed by Congressional committees "to investigate and study every phase of government expenditures."

TRAILER FAMILY
IS BURNED OUT

HARRISBURG, Jan. 3.—(INS)—A suburban Harrisburg family was homeless today after flames from an oil stove destroyed its trailer home in Lower Paxton township.

Lee Wilson, his wife and four-year-old daughter discovered their trailer blazing only a week after they arrived in the area from Kansas.

Sgt. Anderson Made Lieutenant

R. E. Anderson Is Promoted To Second Lieutenant With 229th Artillery Unit

Announcement of the promotion of R. E. Anderson from Technical Sergeant to Second Lieutenant, is made today by Lt. Col. George F. Mitchell, commander of the 229th Field Artillery, furthering the policy of the National Guard to recognize leadership and soldiering ability among the men of the 229th.

Lt. Anderson is a veteran of World War Two, and saw duty in the ETO. His army career began on December 28, 1941, when he enlisted in the Signal Corps. He was sent to Langley Field and in September 1942, after nine months of intensive training in signal work, he was assigned to overseas duty in Europe, where he joined a single construction unit. His battalion took part in several campaigns, beginning with North Africa, then Sicily, Italy, Corsica, and southern France. After three years service overseas, he returned to the states, and was honorably discharged in September 1945. At present, he is employed with the Bell Telephone Company as a lineman.

When the 229th was reorganized under the capable leadership of Lt. Col. Mitchell, Lt. Anderson was

one of the first to enlist, enrolling as a staff sergeant on October 20, 1946. His ability won him promotion to Technical Sergeant and then Lieutenant.

The men of the 229th are showing enthusiasm in their work, as such promotions are to be had by interest and devotion to duty. Several men with no previous military experience have already received ratings.

Congressman Says Speaker Martin Natural Candidate

By RAYMOND WILCOVE (U. S. Staff Correspondent)

WASHINGTON, Jan. 3.—Rep. Allen (R) Ill., influential House leader, Friday advanced Speaker Martin of Massachusetts as "the natural compromise candidate" for the Republican presidential nomination as GOP national headquarters sought complete party harmony.

The chairman of the powerful House Rules Committee, a personal friend of the speaker, expressed the belief that Martin "stands a good chance of winning the nomination at Philadelphia." Allen's remarks were made as Chairman Carroll Reece of the Republican National Committee moved for party accord by formally renouncing policy-making as a function of the GOP headquarters.

Reece has been criticized by some Republican senators, including Aiken and Flanders of Vermont, Baldwin of Connecticut and Smith of New Jersey, for attacking the Democratic programs without offering alternatives.

LEWIS RECEIVES 25-YEAR AWARD

Young Slayer To Attend Funeral Of Slain Parents

WINSTON-SALEM, N. C., Jan. 3.—(INS)—Tommy Lee Phillips, described as a pampered only child, sat in the county jail at Winston-Salem Friday while authorities arranged for him to attend the funeral of his slain parents.

The 16-year-old love-smitten high school boy calmly signed a confession in which he told how he killed his parents, Mr. and Mrs. T. E. Phillips, and then tried to elope.

Young Phillips showed no emotion, according to Sheriff Ernie Shore, when he described the New Year's eve slayings. The boy said he shot his father when the latter accused him of taking \$100 and a \$132 pay check from his pockets.

Shot Mother Twice

He admitted he shot his mother because he feared she would tell. Young Phillips said he would tell twice, "to be sure she was dead."

Hoyle Ripple, the Phillips attorney, made a formal request that the youth be permitted to attend the double funeral for Mr. and Mrs. Phillips today. Phillips was 48. Mrs. Phillips was slain on the eve of her 47th birthday.

No charges were placed against the high school student, the sheriff explaining that the case will be turned over to the Forsyth county grand jury on Monday.

The boy and 16-year-old Bessie Ruth Jenkins were taken into custody at York, S. C., where they had driven in the Phillips automobile to be married.

Winston Churchill Somewhat Improved

MARRAKECH, French Morocco, Jan. 3.—(INS)—Winston Churchill's bronchial condition was reported improved today, and the former prime minister was said to be "resuming normal activities."

Mrs. Churchill and Lord Moran, the British statesman's personal

physician, arrived in Marrakech by plane last night. One report stated that Mrs. Churchill would attempt to prevail upon the former prime minister to leave Marrakech, where he is vacationing, for a spot less subject to temperature changes.

Ophir was the region to which the ships of Hiram and Solomon went from Eziongeber and whence they brought gold, precious stones, etc. The location of Ophir is, however, a much vexed question.

Hurricane At Sharpsville In Final Warm-Up

**BLUE DEVILS
BOAST 6 WINS

**Besemer Goes To Lowellville In
Other Game On Tonight's
Card**

With a 5-2 record for the season, coach Bill Douglass' Red Hurricane five stands in dire danger of losing their third game tonight as they trek to Sharpsville to tackle the unscathed Blue Devils.

The Mercer county machine has not yet tasted defeat this season, posting six triumphs in a row and

Sharpsville High chalked up its seventh straight of the season last night as they cut down Grove City, 25-23.

The tall Blue Devils, ranked the class of Mercer county "A" circles, meet New Castle's Red Hurricane tonight in a feature exhibition clash.

are the third such unbeaten combine the locals have faced. Butler and Ford City also had clean slates when they met the "Canes."

In disposing of West Middlesex, Erie Tech, Hubbard, Ursuline, Youngstown North and Union Twp., the Blue Devils have stacked up 272 points to the opposition's 180, which boils down to a 45-30 ball game each time the Robert Johnson lads take the floor.

Shoot For Sixth

Undismayed by their opponent's record, the Douglass quint will be out to make it six wins tonight. A lineup of Spears and Black, forwards, Reed, center, Ciesla and Janacek, guards, is expected to start hostilities for New Castle.

The Sharpsville game will wind up the exhibition card and the Section 3 opener will be against Ambler, away, Jan. 6.

One other game is on the docket for this evening. Besemer returns to action for their final warm-up tilt, going to Lowellville, and would like to stone for a previous setback experienced against the Ohioans.

**PULASKI CUBS
AT YOUNGSTOWN**

The K. Pulaski Cubs team will go to Youngstown tonight for a return game with the Silent Five. The local defeated this team here a week or so ago. Coach Peanut Hnat wants the K. P. Cubs to meet at the club at 6 o'clock to make trip.

Reynolds Is Victim

Corum Rates Cranford Among Best "Heavies"

By BILL CORUM
(International News Service Sports Writer)

NEW YORK, Jan. 3.—Blond Jackie Cranford, the Senator clouter of Washington, D. C., may not be the best young heavyweight around, but he still looks best in our crystal ball.

The Senator dumped Bernie Reynolds, out of Fairfield, Conn., on the seat of his white silk pants in The Garden last night and left him there to chill.

True enough, Bernie didn't appear to have any burning and yearning desire to continue the controversy. In fact, from where I sat it looked as though Cranford discouraged Bernard rather thoroughly with one clout in the breadbasket in the first heat.

Possible: Reynolds had been fed too well. I made no merry over the holiday. While he did take a couple of solid smacks on the whiskers—a sharp right followed by a left hook as he teetered and tottered—Reynolds showed no signs of being a fellow who meant to stay in there come what may.

It was any old port in a storm for Bernie and when tagged, he listed to port and sank without a trace.

Not Big Enough

Obviously Reynolds is a wooden-nutcase as far as heavyweight championship timber goes for the time being. He isn't even big enough, to begin with.

Cranford is no giant himself, having come in at 181. But he remains the best looking young prospect we've seen.

We discuss Jackie with Doc Kearns, Jack Hurley, who used to pull the throttle on the Fargo Express; Hymie Caplin and others after the fight.

None of them seemed to share our enthusiasm. Yet when we asked them to name a better looking boy, aside from one in whom

they might have a personal interest, we weren't snowed under with names.

The provision about leaving any tiger of their own out of the discussion was particularly important in the case of Kearns. For the doctor will unleash his Joey Maxim against Olle Tanberg, the syndicated Swede, in The Garden next Friday night.

Syndicated Swede

We call Olle the syndicated Swede because he is managed by newspaper man from Stockholm, who refuses to give out any news about him unless it has been syndicated in Sweden.

Just the same, I repeat that I haven't seen a young heavy around who looks better than Cranford if he'll work at the trade. He looks, at least, normally fast, boxes adequately and should hit harder as he matures and gets heavier.

Which he gives indication of doing. They say he doesn't take a punch too well. Which the fact that a couple of ordinary heavies have battered him out would seem to prove. But he has lived through that slump without losing interest.

He may also, as Caplin points out, learn to hold his chin in such a way that it won't be easy to hit, or be as vulnerable when it is.

If that last part sound confusing, Hymie simply says that keeping the chin down and the neck muscles taut makes it easier to take a punch. That sounds reasonable enough.

Freedom Thumps Jackson, 65-30

Mt. Jackson absorbed another lacing at the hands of the Freedom high "Oilers" last night 65-30 at the valley floor.

Sparked by their sensational forward, Skinner, who banked in 34 points, the home team led at the half 31-15 and coasted to victory.

Butler was best for the Webster lads with nine markers.

Church League Games Today

There will be six more games on the card at the "Y" today, beginning at 3:15. The games will be in the following order: S. S. Alliance vs. St. Paul; Trinity vs. First Christian; First Baptist vs. First U. P.; St. George vs. Croton; Epworth vs. First Methodist; and the finale on the card will find the First Presby playing the Third U. P.

The Wisconsin-Yale game this year was the first for these two eleven since 1899 when Yale won by a 6-0 score.

National Champs Spurt In Second Half To Win

Washabaughmen Make Game Of It For Two Periods At Big Farrell Floor; Dembinski-McCullough Blanked From Field; Heddlestone-Gardner Shine.

(By News Staff Writer)

FARRELL, Jan. 3.—Bouncing back after absorbing two defeats in their eastern jaunt, at the hands of St. John's Brooklyn and LaSalle, a tall and rangy Utah University quintet, astounded some 3,000 fans last night, with the systematic manner in which they went about the business of defeating the local favorites, the Westminster College Titans, 49 to 36.

The game was a financial success, being a benefit for the Farrell Lions Club, who did very nicely. For the first half, Westminster gave the Red Skins a battle, but in the second half, it was all Utah. Westminster never having the lead once after just past midway in the first half, 15 to 14.

Look Like Champs

The National Invitation champions of last year at the Gardens, when they dethroned the Kentucky team, were minus one of their star performers Leon Watson, who was a ball of fire at Farrell last year in the Duquesne game. Watson has an injured hand that will keep him out most of the season. Despite the loss of this ace, the Utes looked the part of champions.

The invaders never got rattled, they were just as calm as a pond in July, and went about the business of winning just about as they pleased, using their height to great advantage.

Don Heddlestone Outstanding

For Westminster, it was the veteran diminutive Don Heddlestone, who carried the Titan attack, getting 13 points to be second high man on the floor, the top scoring honors going to the All-American Vern Gardner, 6 foot 4 inch center, who had 16 points.

The classiest player on the court in our way of thinking was the cool and calm Arnie Ferrin, 6 foot 4 inch guard, and the only senior on the starting five. Ferrin in 1944 led the Utes to the NCAA championship, was an All-American that year and again last year. Ferrin had but eight points, but was the "feeder" for Gardner.

Fine Defensive Play

Westminster's scoring attack other than Heddlestone and the elusive Billy McWhinney, who had ten points after being inserted when Tommy Jones pulled up with a lame leg, was stopped colder than an iced herring. So close a guarding game did Ferrin, Gardner and Weidner play that Allan McCullough and Dembinski were held scoreless from the field, a rare happening for these parts. Of the 14 field goals that Westminster made Heddlestone had five and McWhinney had four. Bruce Wagner playing a fine game at forward had three buckets.

Not that Westminster didn't try, they played their hearts out, but were up against too much class. Dembinski suffered a stunned countenance and left the game with eight minutes to play in the second half. Dembinski dashed for the ball and hit the floor rather hard, shaking him up somewhat.

Play Miami Tonight

Westminster was heading for Cincinnati today where tonight they will face the Miami University team, Utah also headed for Cincinnati after the game here last night and will battle Cincinnati University tonight, as Coach Vadal Peterson takes his Utes back home after a fairly successful eastern invasion, where they have dropped two and won three up to now.

Westminster will play Bethany at New Wilmington on January 8.

WINGS, SHINES COP HOUSE LOOP TILTS

The Wings defeated the E. S. Shamrocks last night at the YMCA by a score of 36 to 24. Hassan and Appel led the way for the victors, while Fannin and Van Buren shined for the losers.

The second game went to the G. I. Shines over the Business College 44-38. Moses was the big star with 17 points, while Ciesla dumped in 13 points to help out. Bruce was the high man for the Business College.

WEST PALM BEACH, Fla., Jan. 3.—(INS)—The Yale and Penn crews clash today in the first of a possible annual series of regattas on Lake Worth at West Palm Beach.

More than 20,000 persons, many of them northern tourists, are expected to watch the 2,000-meter competition.

Both coaches—Rusty Callow of Penn and Allen Walz of Yale—said their crews are in fine condition for the event.

PHILADELPHIA, Jan. 3.—(INS)—The Philadelphia Warriors, sparked by Joe Fuiks who netted 30 points, scored a 69-60 victory over the Washington Capitols in a professional basketball contest before 7,126 in Convention Hall last night.

The win enabled the Warriors to gain an even 500 percentage in the Eastern Division standings of the Basketball Association of America.

ARIZONA SIXTH VICTIM OF DUKES

PITTSBURGH, Jan. 3.—(INS)—Duquesne had its sixth straight win today by squeaking out a narrow 54-51 victory over Arizona last night before 4,778 fans at the Gardens, Pittsburgh.

It was a hit or miss affair for the Dukes, who registered 24 out of 38 chances. Arizona showed better accuracy by making good 25 of 31 chances.

Arizona lost four of its starting players via the foul route, and the Dukes lost two. Officials called 59 fouls during the 40 minutes play to slow the game down considerably.

High scorers for Arizona were Udall and Mann, with 12 points each. Cantnera led the Dukes with 13 points.

LOS ANGELES, Jan. 3.—(INS)—Ralph Kiner, 25-year-old All-American bachelorette who belted himself into baseball's hall of fame last season with 51 home runs for the Pittsburgh Pirates, was preparing himself today for a duel.

The task Kiner is facing is a salary huddle with Roy Hamey, general manager of the Pirates who is due in town soon.

Kiner, 6 foot, two-inch, 195-pound slugger who tied with Johnny Mize in home run output, declared:

"Naturally, I expect a considerable increase over last year. I expect in excess of \$25,000 but I foresee no trouble. Hamey and the Pittsburgh management have always been nice to me. I hit 23 home runs in 1946 and 51 in 1947 which, I think, gives me a good talking point."

Kiner has been spending most of his spare time playing golf with Red Ruffing and Max West. Pittsburgh only recently drafted the slugger West from San Diego.

Brothers Hard Wallop Against Clanton Class

Only three days remain for Jeff Clanton of Buffalo and Elkins Brothers of New Castle to fit themselves for grueling eight-round battle in The Arena on Wednesday night which will answer the enigma: "Can a slugger conquer a classy boxer?"

In his bout with Harold Hazlett of Rochester, Pa., Clanton unfurled a neat exhibition of boxing. One of his blows cut Hazlett so badly the referee terminated the fight. What Clanton accomplished in Buffalo is not known here.

Brothers is a deadly puncher with his right, having stopped all his opponents, excepting one. Ike Bell proved the only fighter to outpoint Brothers.

Four Other Bouts

Other battles on the docket are: six rounds, George Krestas, Mansfield, vs. Julian Keene, Washington, D. C., 135; six rounds, William Malone, Pittsburgh, vs. Babe Adams, East Liberty, 147; four rounds, Miles Jones, Washington, D. C., vs. Joe Brunsweller, Pittsburgh, 148. There will be another four-rounder.

Archie Moore, who boxes Ezzard Charles in Cleveland January 13, will handle Brothers, who is also docketed for a Cleveland fight, hence he will be anxious to win

from Clanton, because if he does not the bout may be shifted to Clanton.

The Jefferson A.C. is preparing to handle an overflow crowd because most fans recognize it as a "natural". Clanton showed up good and Brothers punching power is recognized, hence fans deep interest in the coming fight.

City-County Loop To Meet Sunday

There will be a meeting of the City-County Basketball league at the Arena Sunday at two o'clock. It was announced by Stanley Shaw, with the Elks Reserves invited to send a representative. Plans for the month of January will be made at the meeting.

ST. LOUIS, Jan. 3.—(INS)—The high-flying St. Louis University Billikens scored their seventh triumph of the current basketball season last night by trimming the Holy Cross Crusaders, National Collegiate Athletic Association champions. The score was 61-46.

LEGAL NOTICES

Stockholders' Meeting The annual meeting of the stockholders of the Oak Park Building Association will be held at the office of the secretary, David H. Long, 230 Long & Morehead Building, New Castle, Monday, January 13th 1948, between the hours of 9 o'clock and 11 o'clock A.M. for the election of directors and officers and the transactions of such other business as shall come before said meeting. DAVID H. LONG, secretary. Legal—News—Jan. 3, 1948.

Legal Notice Notice is hereby given that certificates to conduct business in the Commonwealth of Pennsylvania under an assumed or fictitious name will be filed in the Office of the Secretary of the Commonwealth at Harrisburg, Pa., and in the Office of the Prothonotary of the Court of Common Pleas of Lawrence County, at New Castle, Pa., on Friday, January 9, 1948.

The names and addresses of the parties owning and interested in the business are: Ted H. Gamble and Myrtle Michael J. Meehan, 56, one of Will Street's most spectacular figures in the fabulous '20's.

Meehan, who was the first major trader to be expelled from the stock exchange by the Securities and Exchange Commission, died yesterday of pneumonia at the Hotel Waldorf-Astoria.

TAKEN INTO CUSTODY After a truck he drove struck and damaged the Ginsberg Distributing company window in Moravia street early this morning, Lieutenant Jones and Patrolmen Weiss and Altier arrested and charged William E. Moffatt, Florence avenue, with driving while intoxicated.

Chief of Police Robert Hanna swore to the charge before Alderman J. C. Brice. Moffatt waived a hearing posted bond for court.

Executors' Notice Letters testamentary the estate of Margaret Ann Barnes, late of the City of New Castle, Pennsylvania, having been granted, all persons indebted to said estate are requested to make payment and those having claims to present same without delay to undersigned.

COLOR IMPORTANT IN CHOOSING BASIC DRESS

Every woman should have a basic dress in her wardrobe—a dress that is suitable for several types of occasions, and can be varied by the accessories she wears with it.

There is no reason for the basic garment to be dull and uninteresting. Its style belongs between the conservative and the high style and it can have characteristics of both the extreme and the conservative.

In any season there are several styles from which to select one becoming to you and suitable for your activities. A design with simple lines is the basis of a satisfactory style.

The most popular basic style today has a convertible neckline, which can be open or closed; plain set-in sleeves; short or full length; a normal waistline with a narrow inconspicuous belt; and a skirt that is plain or moderately full.

When selecting your basic dress, remember that fabric is as important as style. Plain materials or those with small patterns are less tiring than large prints. If the dress boasts much trimming, it falls out of the basic class because it becomes too limited in its uses. Color is equally important. Choose a color that is basic, too, one which accessories and other garments in your wardrobe look well with.

Hats, shoes, and gloves may be conservative or high style but should have the same basic characteristics as the dress they accompany.

JOE MUSITANO ENROUTE HOME

KYOTO, Japan, Jan. 3.—It has been announced by Headquarters First Corps, Kyoto, Japan, that Technical Fifth Grade Sammy A. Musitano, son of Joe Musitano of Bessemer, Pa., has recently been transferred to the fourth replacement depot at Yama, Japan, to be shipped to the United States for discharge.

T/S Musitano was formerly assigned to the 21st ordnance company, where he served as a clerk-typist.

EQUADOREAN MINISTER EXPECTED IN CAPITAL

WASHINGTON, Jan. 3.—(INS)—Ecuadorian Foreign Minister Antonio Tarra Valasco is expected to arrive in Washington tomorrow for conferences with President Truman and Secretary of State Marshall.

Tarra Valasco will also be honored at a special meeting of the Pan American union's board Tuesday. He is leaving Washington for Havana Wednesday morning.

CARGO EN ROUTE VANCOUVER B. C. Jan. 3.—(INS)—Canada's much-disputed and long delayed 1,200,000 munitions cargo was at sea today, aboard the SS Lake Okanagan, bound for China's National Air Forces at Wu Sung.

Final release of the arms cargo—previously held up by picketing Red supporters and by engine trouble on another ship scheduled to load the munitions—came with the ending of an 11-day tieup.

MEEHAN DIES NEW YORK, Jan. 3.—(INS)—A requiem mass will be sung Monday in St. Vincent Ferrer's church for Michael J. Meehan, 56, one of Will Street's most spectacular figures in the fabulous '20's.

Meehan, who was the first major trader to be expelled from the stock exchange by the Securities and Exchange Commission, died yesterday of pneumonia at the Hotel Waldorf-Astoria.

STOCK MARKETS

CLOSED TODAY

NEW YORK, Jan. 3.—(INS)—The New York Stock, Curb and Cotton Exchanges were closed today "because of severe weather conditions over a large part of the country."

The announcement that the governors of the Big Board decided to keep the market shut was followed by similar action by the Curb and Cotton Exchanges.

Optimist club guest night will be held Thursday, Jan. 15 at Harlanburg, beginning at 6:30 p. m. Films of Optimist activities will be shown and district officials will attend and speak on the program. Calvix Rasey is the program chairman.

It was announced that next week's meeting has been cancelled. Instead the club will attend the Civic Drama Guild play at The Cathedral, "Made in Heaven."

Saturday, Jan. 10, there will be a quarterly district meeting of all Optimists in Pittsburgh. Local officers will attend the board of governors meeting. Russell F. Meyer, secretary-treasurer of Optimist International will come from St. Louis to speak.

Joe Daugherty reported on plans for the city ice carnival to be staged in February. Members of the former "Silver Blades" are asked to contact Mr. Daugherty at the Johnson Bronze Co., or telephone 3227.

Martin Leonard again has been put in charge of the marble tournament which will be sponsored by the club in May. Dr. R. Gilmore reported on membership and attendance, and boys' work chairman Dale Clobus is preparing the ground work for a junior Optimist organization.

President Otto Persall was in charge of the meeting.

Boston Restaurant Worker Fire Victim BOSTON, Jan. 3.—(INS)—One man was burned to death, two were overcome by smoke, and 12 other persons were rescued today when fire swept a four-story brick and wooden lodging house in Boston's west end.

The dead man was identified as Donald Turcott of Somersworth, N. H., a Boston restaurant worker. He was found on the floor of his room.

The blaze, which fire officials said started from a lighted cigarette tossed into a baby carriage in the downstairs front hall, caused damage estimated at \$8,000.

Report King Michael Quit Under Pressure

LONDON, Jan. 3.—(INS)—The London Daily Herald reported today that ex-King Michael signed away his throne under Communist pressure, while Soviet-trained troops surrounded the royal palace.

The newspaper's Vienna correspondent stated that Emile Bodnarus, head of Romania's secret police, handed Michael an ultimatum, demanding his resignation.

After a heated two hour argument, the ruler yielded to Communist pressure and signed the abdication document.

Permit Pottery To Erect New Building

Shenango Pottery company has received a permit from the city to construct a one story steel machine shop building in McCleary avenue. The estimated construction cost was given as \$25,200.

WEDS FORMER COUNTESS FORT WORTH, Tex. Jan. 3.—(INS)—A student at Texas A & M College and the former Countess Molly D'Urse of Belgium, were honeymooning at an undisclosed place today.

The groom is James M. Sinex, Fort Worth resident, a former army first lieutenant. The two met in Namache, Belgium, during the war.

The royal-born Belgian bride arrived in Fort Worth Tuesday night from New York. They were married in St. Patrick's Catholic church in Fort Worth.

Bell Telephone

Company Will
Spend MillionsApproximately 66 Million Dollars
To Be Spent In State
During Year

PHILADELPHIA, Jan. 3.—(INS)—The Bell Telephone company of Pennsylvania announced plans today to spend approximately 66 million dollars during 1948 in the largest expansion program of the firm's history.

President Francis J. Chesterman said the expansion is in addition to a net increase of 59 million dollars in telephone plants last year. By the end of 1948, he said, the number of Bell telephones in the state will have increased by some 200,000.

Twenty new central office buildings are scheduled for construction during the year. It was estimated 12 would be completed, together with the installation of new dial equipment before the year ends.

Chesterman added that some 600,000 miles of wire will be added to the lines throughout the state. He pointed out, however, that there will still be waiting lists for those who want service, due to the heavy demand.

"Our primary responsibility must be to provide telephone service for those who have none," Chesterman said. "Meanwhile, we recognize that many subscribers need and want types of service other than what they now have."

"We will continue to push forward until we reach our goal of the finest possible telephone service for all who want it, when and where they want it."

He declared that "the huge 1949 expansion program means that in the three years following the end of the war, we will have placed in service nearly three-quarters of a million additional telephones."

Automotive Industry
Sets 5,500,000 Goal
For 1948 Production

DETROIT, Jan. 3.—(INS)—The automotive industry set a new 1948 goal of 5,500,000 automobiles and trucks Friday after marking off a 1947 total of 5,048,780 units. Ward's automotive reports stated the plants in the United States and Canada produced 483,630 cars and trucks during December, setting a new postwar monthly record.

Ward's said this week 1,870 cars and 1,010 trucks produced in Canada were added to the 52,987 cars and 18,225 trucks assembled in the United States.

See Slight Drop
The statistical survey predicted output during January and February would be about 10 per cent below December's total. Ward's explained materials were used up ahead of time in a drive to reach the 1947 five-million goal.

A breakdown of the 1947 total showed 3,556,114 passenger cars and 1,232,758 trucks were turned out in the United States and 167,213 cars and 92,665 trucks in Canada.

Need Of More Room
At Hospital Is Shown

This view of the medical records room at Jameson Memorial hospital is typical of the overcrowded conditions which exist throughout the hospital. Work on thousands upon thousands of patient records is done in this "two by four" room.

Every nation has a war college where strategists are continually fighting the imaginary battles on paper.

So has the modern hospital. It is usually—as at Jameson Memorial hospital—a small room containing innocent looking desks, files and typewriters.

There is no hint here that these are really the furnishings of a war without end, that they are really the weapons which help to push the battle lines farther and farther into the dimness where lies the conquest of disease.

This is the medical records library, presided over at Jameson by Miss Harriet Vironet, who was specially trained for this work.

Here is kept a complete record concerning every patient who has ever entered the hospital—and there are even some records from the old Shenandoah Valley hospital, which preceded Jameson.

When a patient is discharged, the record is sent to the library, which checks it for completeness and accuracy and makes an analysis of the record. A second analysis is made by the attending physician.

The particular disease or diseases are coded, and the record goes into the file. These are filed in order by the admission numbers the number given every patient who enters the hospital.

Disease Index Kept
If a patient has been in the hospital previously, his old record or records are brought forward and combined with the new one—so that the "case history" of every patient is readily accessible, no matter whether he was in the hospital once back in 1932 for a tonsilectomy, or whether he had been a patient a dozen times for a dozen different reasons, or for a single chronic condition.

In addition to these patient files the medical records department also keeps a disease index, in which material taken from each patient record pertinent to any disease is recorded in code.

This is extremely valuable for a number of reasons, particularly when a doctor wants to make a study of a certain disease.

This insignificant appearing room could be considered an arsenal, as well as a war college, for when a patient with an obscure disease is admitted, this index yields instantly the record of every such case treated at the hospital, thus providing the weapon—successful methods of treatment—to use in combating it.

A similar index is kept of all operations.

Bar Gold Shipments

WASHINGTON, Jan. 3.—(INS)—The Commerce Department reported Friday that Great Britain shipped \$142,820,981 in bar gold to the United States in exchange for dollars during November.

The shipments were in line with Britain's policy of shipping gold to the U. S. to gain American currency and increase her purchasing power abroad.

Announcement of the shipments, presumably taken from Britain's gold reserves, were contained in the Commerce Department's monthly statement of United States gold and silver exports and imports.

The statement said that Russia exported \$750,606 in silver to the United States.

Speaks Wednesday
At Tifereth Israel

Rabbi Julius Lipschutz To Preach
At Open Meeting At Syna-
gogue At 8 P. M.

The board of directors of Tifereth Israel synagogue announces that on Wednesday, January 7, at 8 p. m., an open meeting will be held at the synagogue, South Jefferson street, to hear Rabbi Julius Lipschutz.

Rabbi Lipschutz has for the past four years been rabbi of the historic Touro Synagogue, the oldest existing synagogue in the United States, located at Newport, R. I., which has just recently been turned into a national historic shrine.

Thoroughly devoted to his high calling, Rabbi Lipschutz, is held in high esteem for the outstanding work he had done in the field of interfaith and intercultural relations, not only in the Jewish community, but among the non-Jews in Newport, R. I.

The board is looking forward in seeing a large attendance at this session.

Burglars, Thieves,
Thugs Active In
Pittsburgh Area

PITTSBURGH, Jan. 3.—(INS)—Thugs, thieves and burglars welcomed the new year in Pittsburgh by keeping busy.

Reported losses flowing into the city detectives yesterday totaled \$3000 in cash and several thousands in jewelry and other valuables.

Mr. and Mrs. Martin C. Port lost \$2100 and a \$2000 ring to two masked gunmen as they were returning in the early hours home from the restaurant they operate.

Two cab drivers reported being robbed by passengers. Another restaurant operator, Samuel L. Janis, reported four men entered his cafe and took \$700 from him and \$100 from the register.

Several burglaries were reported in the area.

Would-Be-Elopers
Held By Police

SOMERVILLE, Mass., Jan. 3.—(INS)—A lack of years on the part of the bride to be and of dollars on the part of the groom to be resulted in embarrassment Friday for a Washington, D. C. couple.

Ann Speridakis, 16, and Clinton Speiser, 22, both of Washington, were picked up by Somerville police at the home of friends and were held without charge for Washington authorities.

Their telegram sent to relatives in Washington for funds after they were denied a license to wed in New Hampshire because of Ann's age proved their undoing.

Bell Telephone
Company Will
Spend Millions

Approximately 66 Million Dollars
To Be Spent in State
During Year

PHILADELPHIA, Jan. 3.—(INS)—
The Bell Telephone company of
Pennsylvania announced plans to-
day to spend approximately 66
million dollars during 1948 in the
largest expansion program of the
firm's history.

President Francis J. Chest-
erman said the expansion is in ad-
dition to a net increase of 59 million
dollars in telephone plants last
year. By the end of 1948, he said,
the number of Bell telephones in
the state will have increased by
some 200,000.

Twenty new central office build-
ings are scheduled for construc-
tion during the year. It was esti-
mated 12 would be completed, to-
gether with the installation of new
dial equipment before the year
ends.

Chesterman added that some
600,000 miles of wire will be ad-
ded to the lines throughout the
state. He pointed out, however,
that there will still be waiting lists
for those who want service, due to
the heavy demand.

"Our primary responsibility must
be to provide telephone service for
those who have none," Chesterman
said. "Meanwhile, we recognize
that many subscribers need and
want types of service other than
what they now have."

"We will continue to push for-
ward until we reach our goal of
the finest possible telephone ser-
vice for all who want it, when and
where they want it."

He declared that "the huge 1949
expansion program means that in
the three years following the end
of the war, we will have placed in
service nearly three-quarters of a
million additional telephones."

Automotive Industry
Sets 5,500,000 Goal
For 1948 Production

DETROIT, Jan. 3.—(INS)—The
automotive industry set a new
1948 goal of 5,500,000 automobiles
and trucks Friday after marking
off a 1947 total of 5,048,780 units.
Ward's automotive reports stated
the plants in the United States and
Canada produced 483,639 cars and
trucks during December, setting a
new postwar monthly record.
Ward's said this week 1,970 cars
and 1,010 trucks produced in Can-
ada were added to the 52,987 cars
and 18,225 trucks assembled in the
United States.

See Slight Drop
The statistical survey predicted
output during January and Febru-
ary would be about 10 per cent
below December's total. Ward's
explained materials were used up
ahead of time in a drive to reach
the 1947 five-million goal.

A breakdown of the 1947 total
showed 3,556,114 passenger cars
and 1,232,756 trucks were turned
out in the United States and 107,
213 cars and 92,665 trucks in Can-
ada.

Need Of More Room
At Hospital Is Shown

This view of the medical records room at Jameson Memorial hospital is typical of the overcrowded conditions which exist throughout the hospital. Work on thousands upon thousands of patient records is done in this "two by four" room.

Every nation has a war college
where strategists are continually
fighting the imaginary battles on

So has the modern hospital.
It is usually—as at Jameson
Memorial hospital—a small room
containing innocent looking desks,
files and typewriters.

There is no hint here that these
are really the furnishings of a war

the battle lines farther and far-
ther into the dimness where lies

specially trained for this work.

Here is kept a complete record
concerning every patient who has
ever entered the hospital—and
there are even some records from
the old Shenango Valley hospital,
which preceded Jameson.

When a patient is discharged,
the record is sent to the library,
which checks it for completeness
and accuracy and makes an anal-
ysis of the record. A second anal-
ysis is made by the attending
physician.

The particular disease or dis-
eases are coded, and the record
goes into the file. These are filed
in order by the admission num-
bers the number given every pa-
tient who enters the hospital.

Disease Index Kept
If a patient has been in the
hospital previously, his old record
or records are brought forward
and combined with the new one—
so that the "case history" of every
patient is readily accessible, no
matter whether he was in the
hospital once back in 1932 for a
tonsilectomy, or whether he had
been a patient a dozen times for
a dozen different reasons or for
a single chronic condition.

In addition to these patient files
the medical records department
also keeps a disease index, in
which material taken from each
patient record pertinent to any
disease is recorded in code.

This is extremely valuable for
a number of reasons, particularly
when a doctor wants to make a
study of a certain disease.

This insignificant appearing
room could be considered an ar-
senal, as well as a war college,
for when a patient with an obscure
disease is admitted, this index
yields instantly the record of ev-
ery such case treated at the hos-
pital, thus providing the weapon
—successful methods of treat-
ment—to use in combating it.

A similar index is kept of all
operations.

British Make Heavy
Bar Gold Shipments

WASHINGTON, Jan. 3.—(INS)—
The Commerce Department an-
nounced Friday an export quota of
12 million barrels of petroleum
products for the first quarter of
the new year.

The quota, in line with the gov-
ernment's policy of restricting pe-
troleum exports until current do-
mestic shortages are relieved, is
more than five million barrels be-
low exports during first quarter
of 1947.

The department said that since
the current quota is "substantially
below estimated export demand,"
export licenses will be approved
only on the basis of the most ur-
gent need.

In addition, the department said,
two million 470 barrels of petro-
leum products have been author-
ized for shipment to Greece and
the occupied areas of Japan and
the Ryukus Islands to meet re-
quirements of special programs.

The board of directors of Tif-
ereth Israel synagogue announces
that on Wednesday, January 7,
at 8 p. m., an open meeting will
be held at the synagogue, South
Jefferson street, to hear Rabbi
Julius Lipschutz.

Rabbi Lipschutz has for the past
four years been rabbi of the his-
toric Touro Synagogue, the oldest
existing synagogue in the United
States, located at Newport, R. I.,
which has just recently been
turned into a national historic
shrine.

Thoroughly devoted to his high
calling, Rabbi Lipschutz, is held
in high esteem for the outstanding
work he had done in the field of
interfaith and intercultural rela-
tions, not only in the Jewish com-
munity, but among the non-Jews
in Newport, R. I.

The board is looking forward
in seeing a large attendance at
this session.

Burglars, Thieves,
Thugs Active In
Pittsburgh Area

PITTSBURGH, Jan. 3.—(INS)—
Thugs, thieves and burglars wel-
comed the new year in Pittsburgh
by keeping busy.

Reported losses flowing into the
city detectives yesterday totaled
\$3000 in cash and several thou-
sands in jewelry and other valu-
ables.

Mr. and Mrs. Martin C. Port
lost \$2100 and a \$2000 ring to two
masked gunmen as they were re-
turning in the early hours home
from the restaurant they operate.

Two cab drivers reported being
robbed by passers.

Another restaurant operator,
Samuel L. Janis, reported four
men entered his cafe and took \$700
from him and \$100 from the regis-
ter.

Several burglaries were report-
ed in the area.

Would-Be-Elopers
Held By Police

SOMERVILLE, Mass., Jan. 3.—
(INS)—A lack of years on the part
of the bride to be and of dollars
on the part of the groom to be re-
sulted in embarrassment Friday
for a Washington, D. C., couple.

Ann Speridakis, 16, and Clin-
ton Speiser, 22, both of Washing-
ton, were picked up by Somerville
police at the home of friends and
were held without charge for
Washington authorities.

Their telegram sent to relatives
in Washington for funds after they
were denied a license to wed in
New Hampshire because of Ann's
age proved their undoing.
